Volume 2, Issue 1

January 2014

West Virginia Statewide Interoperable Radio Network (SIRN)

The WV Statewide Interoperable Radio Network (SIRN) is a collaborative effort by state, county, and municipal public safety entities to establish and maintain a statewide interoperable radio network for emergency services.

Statewide Interoperability Executive Committee (SIEC)

The SIEC was created by Executive Order #2-11 issued by the Honorable Earl Ray Tomblin; Governor of the State of West Virginia on June 16, 2011. Said Executive Order shall remain in effect until such time as it is rescinded by the Governor. The SIEC shall operate in the public interest and on a not-for-profit basis. The SIEC shall be governed by applicable WV Code, WV Rules, Regulations and Orders, as well as Operational Policies and Procedures. The SIEC shall carry out its responsibilities as defined by Executive Order #2-11. The SIEC will also develop a revised Plan for the operation and implementation of the Statewide Interoperable Radio Network (SIRN).
